To Whom It May Concern:

As a former employer of Rand Baldwin, I am writing to offer my highest recommendation on his behalf. In his capacity as Information Systems Coordinator, he supervised two employees. Rand has been responsible for the oversight of a network that included approximately 45 employees, most of whom had their own workstations. In addition to taking care of our server, he developed our website, maintained our phone systems and serviced numerous other technical needs of our organization.

Rand has proven himself to be highly competent and very proficient in all of these areas. He is a hard worker and dependable.

Feel free to view our website at www.eastsidechurch.org to get an idea of his work. Also please call me if I can answer any questions that you may have.

Sincerely,

Dr. James W. Hayford, Sr.
Senior Pastor
