

eastside foursquare church

December 10, 2008

To Whom It May Concern:

I am writing to you to offer my highest reference and recommendation on behalf of Rand Baldwin.

Rand has been employed here at Eastside Church for approximately ten years. During that time he has been our web developer, IT manager and systems manager. He has done an outstanding job managing all of these areas, including our network, hardware maintenance and support, software support, server management and much more. He is extremely knowledgeable, competent, hard-working and a pleasure to work with.

I am disappointed that our economic situation here at the church has forced us to let Rand go. I believe he will make a great contribution to another business or organization. If it would help to speak to me personally, I welcome your calls or emails. My contact information is 425-488-2500, ext. 324 and mattm@eastsidechurch.org.

Sincerely,

Matt Messner
Executive Pastor
Eastside Foursquare Church
